5. [175] **If you are driving along the highway and come across road works with a reduced speed zone, you must -**
- (a) Drive through the road works zone as fast as you can to get past it.
(b) Drive at the same speed as other vehicles.
(c) Slow down to the new speed limit.

6. [194] **What does this sign mean?**

- (a) You are not to exceed 60 km/h.
- (b) You can go faster than 60 km/h.
- (c) You are on Highway 60.

7. [195] **What does this sign mean?**

- (a) You must drive faster than 100 km/h.
- (b) The sign applies to truck drivers only, cars can travel at any speed.
- (c) You must not drive faster than 100 km/h

8. [341] **You are driving in a 70 km/h zone, keeping to the limit. Several vehicles pass you. One of your passengers suggests you should keep up with the other traffic. What should you do?**

- (a) Follow the suggestions and keep up with the traffic.
- (b) Speed up to a little bit over the speed limit, because everyone does it.
- (c) Decide your speed yourself, based on the speed limit and the conditions.

9. [342] **You are driving in busy traffic in a 60 km/h zone. You feel 60 km/h is a bit too fast for the conditions. What should you do?**

- (a) Turn off the busy street and wait for traffic to clear.
- (b) Keep up with the other traffic because it's probably safe if the sign says 60 km/h.
- (c) Slow down to a speed that suits the conditions.

10. [343] **Having a radar detector in your car is against the law -**

- (c) No matter what your reason is.

11. [344] It is 4:30pm on a school day. You are driving at 60 km/h, the same speed as traffic around you. You approach this sign but the other cars do not slow down much. What should you do?

- (a) Slow down immediately to 40 km/h or less even though other drivers want to go faster.
- (b) Drive at the speed of the other drivers because it is safer to go with the flow of traffic than slow others up.
- (c) Stay at 60 km/h because it is nearly 5pm and the times on the school sign are only advisory.

12. [345] Speed limit signs (such as the one shown) tell drivers -

- (a) The minimum speed they are allowed to drive.
- (b) The recommended speed they should drive.
- (c) The maximum speed they are allowed to drive.
