

NO PARKING and NO STOPPING signs

NO PARKING

YOU CAN STOP :

- (1) if you are picking up or dropping off **passengers or goods**, and
- (2) if you stay no longer than **2 minutes**, and
- (3) if you **don't leave** the car.

Some examples of "NO STOPPING" signs

NO STOPPING

- at **NO STOPPING** signs
- at **NO STANDING** signs
- in **DISABLED PARKING** bays unless authorised
- between **CLEARWAY** signs
- at **YELLOW LINES** on the road edge
- in **BUS STOPS**
- in **TAXI ZONES**
- in **LOADING ZONES**

Here's an easy way to remember what the signs mean ...

1. Memorise the "No Parking" rules (see *LEFT panel*).
2. All the other signs mean **NO STOPPING** (see *RIGHT panel*).

NUMBERS you need to KNOW

- 1 m** Minimum separation when overtaking cyclists at speeds less than 70km/h.
- 2 m** Minimum separation when overtaking cyclists at speeds of 70km/h or over.
- 200 m** DIP your headlights (use low beam) when this far from another vehicle, or if the other vehicle dips its lights first.
- 200 m** minimum separation between **LONG** vehicles (trucks, cars towing caravans etc) on a highway.

MINIMUM SAFE FOLLOWING DISTANCES between vehicles

3 seconds: GOOD conditions

Over 3 seconds: POOR conditions (e.g.: raining, fog, slippery road surface, poor visibility or at night, carrying a heavy load or towing, if the car behind is following too closely, or you are following behind a large vehicle obstructing your view.)

Note: the NT driving test requires a minimum of 3 seconds in good conditions, or 4 or more in poor conditions.
